8/2/17, 15:26:39: Anna-Carolin: I am right at our meeting point for your booked tour. I am very grateful to have such a lovely morning atmosphere here with us. On your way here - did you recognize the beautiful sun rise? It going to be a hot day out here. So it's great that we meet early. By the way - I hope you brought good shoes and a bottle of water with you. Our walk will take about an hour. Are you ready?

8/2/17, 15:27:15: Keren: Yes!

8/2/17, 15:28:20: Anna-Carolin: Do you have sunscreen and a hat?

8/2/17, 15:28:54: Keren: Yes of course. I have everything in my bag

8/2/17, 15:30:58: Anna-Carolin: Excellent - you are well prepared! So I will start with some facts on this landscape as we walk straight ahead.

8/2/17, 15:31:45: Anna-Carolin: This landscape is really, really old and has a very special climate.

8/2/17, 15:32:39: Anna-Carolin: It's a landscape of extremes and it is quite famous.

8/2/17, 15:33:30: Anna-Carolin: Keep on walking straight ahead until you recognize a sign on your left.

8/2/17, 15:35:14: Keren: Oh. In which historical period was it created?

8/2/17, 15:35:21: Anna-Carolin: There used to be volcanos around here - a very long time ago.

8/2/17, 15:36:43: Keren: I see the sign now near the old bench

8/2/17, 15:38:12: Anna-Carolin: great! so take a pause from walking and reach to the ground. do you recognize the special structure of the ground?

8/2/17, 15:39:35: Keren: Yes it is quite special

8/2/17, 15:40:02: Keren: Did people use to live here?

8/2/17, 15:40:47: Anna-Carolin: it is all very dry. try to pick up some of this white structure. you may taste it.

8/2/17, 15:41:24: Anna-Carolin: in this huge area there are only a few people living today.

8/2/17, 15:41:33: Keren: Really? Ok I'll try

8/2/17, 15:42:16: Anna-Carolin: actually in the early days settlers tried to travel through this amazing rough dangerous landscape.

8/2/17, 15:42:52: Anna-Carolin: that is actually how the landscape got its name.

8/2/17, 15:42:59: Anna-Carolin: how did it taste?

8/2/17, 15:43:40: Keren: I can't recognize the taste it's quite bitter

8/2/17, 15:44:49: Keren: I've never tasted anything like that...

8/2/17, 15:45:29: Keren: It is actually tasty but weird

8/2/17, 15:45:46: Keren: What is it made of?
8/2/17, 15:45:55: Anna-Carolin: ok – that is interesting, because it is actually salt. take some of these white crystal structures with you.
8/2/17, 15:46:50: Anna-Carolin: if you like, you can sit down on the ground now. try to
8/2/17, 15:46:59: Keren: Cool. Its beautiful
8/2/17, 15:47:44: Anna-Carolin: how does the ground feel? is it warm or cold?
8/2/17, 15:47:55: Keren: It is warm
8/2/17, 15:48:18: Keren: And a bit slippery
8/2/17, 15:49:30: Anna-Carolin: slippery – that is unusual. close your eyes for a moment and try to listen. what do you hear?
8/2/17, 15:50:12: Keren: I hear the wind as it touches the salt
8/2/17, 15:50:55: Anna-Carolin: how does it sound like? do you feel comfortable?
8/2/17, 15:51:03: Keren: And I think I hear a distant highway
8/2/17, 15:52:37: Anna-Carolin: it seems that you have excellent hearing skills
8/2/17, 15:52:55: Keren: It sounds as if we are in a wheat-field
8/2/17, 15:53:19: Anna-Carolin: you can hear the racetrack – that is very special!
8/2/17, 15:53:26: Keren: Are we really far from any highway?
8/2/17, 15:54:22: Anna-Carolin: yes, we are very far from a highway for cars. but we are close to a racetrack for stones.
8/2/17, 15:55:21: Anna-Carolin: now i would like to get up again and to take a look at the horizon. do you recognize these mountains?
8/2/17, 15:55:25: Keren: So thats what I'm hearing
8/2/17, 15:56:14: Anna-Carolin: you can hear stones racing on a sandy, salty ground
8/2/17, 15:56:42: Keren: I can see the mountains but I can't recognize them
8/2/17, 15:57:15: Anna-Carolin: haven't you ever seen these movies?
8/2/17, 15:57:43: Keren: Can you tell me about those mountains?
8/2/17, 15:58:22: Keren: Which movie? It looks familiar
8/2/17, 15:59:31: Anna-Carolin: Yes, I will. These are very special mountains – as they have a great color spectra according to the light and the weather
8/2/17, 16:00:29: Anna-Carolin: Their stones are rich of iron and cooper.
8/2/17, 16:00:59: Anna-Carolin: Actually artists really love this view.
8/2/17, 16:01:36: Keren: It looks purple
8/2/17, 16:02:36: Keren: Especially on the mountain peaks
8/2/17, 16:03:06: Anna-Carolin: Yes! I can see the purple but also shades of green and blue. Turn your head to the left – there you can see them.
8/2/17, 16:03:54: Anna-Carolin: Actually – has anyone come across your path during the last 30 min?
8/2/17, 16:04:36: Keren: I saw two kids I think
8/2/17, 16:05:13: Anna-Carolin: On their own – without any parent? That is strange.
8/2/17, 16:06:09: Keren: is it dangerous here for children?
8/2/17, 16:08:20: Anna-Carolin: actually it is one of the most

dangerous places on earth for human beings – but only if they are not aware of the circumstances. keep on walking and turn to the pathway which you find on your right in about 250 meters.

8/2/17, 16:08:24: Keren: Do you know when the mountains were created?

8/2/17, 16:10:12: Keren: Ok. It's good that I brought my boots

8/2/17, 16:10:41: Anna-Carolin: The oldest parts were created about 1700 Million years ago – in so called Paläoproterozoikum.

8/2/17, 16:12:17: Anna-Carolin: Boots are made for walking and that's what you have to do here! How do you like this endless view – this huge flat landscape?

8/2/17, 16:13:23: Keren: It's really inspiring

8/2/17, 16:13:51: Anna-Carolin: can you imagine which kind of animals live out here?

8/2/17, 16:14:08: Keren: But also a bit scary in a way

8/2/17, 16:15:05: Keren: Maybe mammoth?

8/2/17, 16:16:00: Anna-Carolin: it's good if you feel a little bit scary – so you stay respectful towards the landscape. but don't worry – today you won't get lost and you brought water.

8/2/17, 16:18:07: Keren: I can't imagine an animal that will survive the salty ground

8/2/17, 16:18:42: Keren: Was it always that salty?

8/2/17, 16:18:47: Anna-Carolin: if you go on a night walk out here you might see a fox, not very likely a spider or a mountain lion but maybe a snake or a tortoise.

8/2/17, 16:19:27: Anna-Carolin: yeah, it is quite unbelievable, but animals can survive in this landscape.

8/2/17, 16:22:32: Anna-Carolin: Yes, it is salty and dry for a very long time – and it will stay like this. When you enter the pathway keep on walking straight ahead until you recognize the beginning of a road on your left.

8/2/17, 16:23:38: Keren: Ok i see the pathway I think...

8/2/17, 16:24:19: Anna-Carolin: guess now! what was the highest temperature ever recognized here?

8/2/17, 16:24:38: Anna-Carolin: keep on walking

8/2/17, 16:25:43: Keren: 50 degrees celsius?

8/2/17, 16:26:51: Anna-Carolin: you are very close – 56,7 celsius in 1913

8/2/17, 16:26:51: Keren: what's the temperature today?

8/2/17, 16:27:42: Anna-Carolin: at the moment – as you can feel – it's easy 24 degrees

8/2/17, 16:28:20: Keren: I thought so...it's perfect

8/2/17, 16:28:51: Anna-Carolin: did you find the road on your left? it is the only road down here which has concrete. how are your feet?

8/2/17, 16:29:57: Keren: I see the road now

8/2/17, 16:29:58: Anna-Carolin: yeah, 24degrees are perfect – especially with this clear air and the bit of wind

8/2/17, 16:30:45: Keren: I ate not very long ago so I'm good

8/2/17, 16:32:59: Keren : I've never seen such colorful mountains before

8/2/17, 16:33:08: Anna-Carolin: great! don't forget drinking – otherwise you might have a headache later. keep on walking – before you reach the street, you have to cross a small part with very soft sand – just be careful

8/2/17, 16:34:43: Keren: ok thanks for the warning I'm a bit clumsy
8/2/17, 16:35:05: Anna-Carolin: you will be ok!

01/08/17 17:04:29: Raz: A palm tree! Love them

01/08/17 17:04:47: Raz: Is it very green around?

01/08/17 17:06:05: Raz: Do you know how this palm tree got there? Did anyone plant it?

01/08/17 17:06:26: Pauline Payen: Yes because there is automatic spraying of water everyday here

01/08/17 17:06:49: Pauline Payen: Someone planted the tree 4 years ago

01/08/17 17:06:49: Raz: Red pepper is a tiny tree isn't it?

01/08/17 17:07:00: Pauline Payen: And also a lot of flowers

01/08/17 17:07:10: Raz: Sounds refreshing

01/08/17 17:07:35: Pauline Payen: It's is peaceful but we can hear some traffic outside

01/08/17 17:07:55: Raz: Is it a private garden? Or an institution?

01/08/17 17:08:00: Raz: A house garden?

01/08/17 17:08:27: Pauline Payen: Yes it is a house garden and it is mosquito times

01/08/17 17:10:34: Pauline Payen: *next to the sea

01/08/17 17:11:26: Pauline Payen: We came out in the street , quite empty street with an old grey cat that said hi but quite grumpy

01/08/17 17:11:28: Raz: Ok sounds good

01/08/17 17:11:55: Raz: Its sounds very much like my home.. so strange.

01/08/17 17:12:10: Raz: So it is a one way street?

01/08/17 17:12:25: Pauline Payen: Yes

01/08/17 17:12:33: Raz: Hmm funny.

01/08/17 17:12:41: Pauline Payen: Once in that street I saw a big gull killing and eating a pigeon

01/08/17 17:13:25: Pauline Payen: But right now there are only pigeons and an old lady with a small dog
01/08/17 17:13:41: Raz: Oh. Sounds horrible to watch
01/08/17 17:14:32: Raz: I can imagine the old lady and still got the memory of the wet garden we just left
01/08/17 17:14:48: Raz: So we take to the right or to the left?
01/08/17 17:15:36: Pauline Payen: We turned into a regular street. There are cars, buses, scooters, tourists, restaurants, more old people, more ladies with dogs. In front of us if we go straight is the sea with big palm trees
01/08/17 17:15:47: Pauline Payen: You can choose directions now :)
01/08/17 17:16:47: Raz: Oh wow. Sounds very hectic
01/08/17 17:17:11: Raz: Lets have a look on the first restaurant.
01/08/17 17:17:20: Pauline Payen: Haha!
01/08/17 17:17:26: Raz: Im curious of what kind of a place it is
01/08/17 17:17:36: Pauline Payen: Okay
01/08/17 17:17:34: Raz: Even just from the outside ;)
01/08/17 17:17:50: Pauline Payen: On the left is an Asian fast food
01/08/17 17:18:01: Pauline Payen: Very bright pink and green colors
01/08/17 17:18:07: Pauline Payen: Plastic tables and chairs
01/08/17 17:18:16: Pauline Payen: On my right a chic restaurant
01/08/17 17:18:27: Pauline Payen: Totally dark grey facade
01/08/17 17:18:38: Raz: Haha. What a combination
01/08/17 17:18:41: Pauline Payen: It calls itself a lounge bar
01/08/17 17:18:53: Raz: Which one has more people in?
01/08/17 17:19:09: Pauline Payen: None of them
01/08/17 17:19:17: Pauline Payen: Lol
01/08/17 17:19:19: Raz: How sad ;)
01/08/17 17:19:20: Raz: Lol
01/08/17 17:19:24: Raz: Haha
01/08/17 17:19:33: Raz: Is there a bus station next by?
01/08/17 17:19:56: Pauline Payen: No there is a bigger street with more people
01/08/17 17:20:24: Raz: And the sea is just on the other side of the street?
01/08/17 17:20:36: Pauline Payen: Yes
01/08/17 17:21:04: Pauline Payen: There is also a shop to remove permanently hairs

01/08/17 17:21:16: Raz: Hahaha
01/08/17 17:21:25: Raz: What a place!
01/08/17 17:21:37: Pauline Payen: I continue straight forward
01/08/17 17:21:43: Pauline Payen: We can smell the sea
01/08/17 17:21:42: Raz: Ok cool.
01/08/17 17:21:57: Pauline Payen: Now on the right a lingerie shop
01/08/17 17:21:58: Raz: It feels humid
01/08/17 17:22:10: Pauline Payen: Hihhi
01/08/17 17:22:54: Pauline Payen: Nice sentences exchange
01/08/17 17:23:06: Raz: Hahaha totally Lol!!
01/08/17 17:23:52: Raz: Oh man. Lets go to a big street, maybe later we could go to the sea shore, but as i live really next to the sea, im curious about the street
01/08/17 17:24:16: Pauline Payen: Haha
01/08/17 17:24:18: Pauline Payen: Okay

01/08/17 17:24:19: Raz: If you don't mind
01/08/17 17:24:50: Pauline Payen: I know a good way to the streets
via the sea
01/08/17 17:25:54: Pauline Payen: There are Palm trees all the way,
this seashore street is famous for it
01/08/17 17:26:07: Raz: Cool
01/08/17 17:26:13: Raz: Sounds like LA
01/08/17 17:26:26: Raz: Do they move in the wind?
01/08/17 17:26:38: Raz: Is it windy enough?
01/08/17 17:27:01: Pauline Payen: Not really
01/08/17 17:27:21: Pauline Payen: The sea is ice blue on shore and
dark blue at the horizon
01/08/17 17:27:29: Pauline Payen: Light waves
01/08/17 17:27:40: Raz: Are there many people swimming?
01/08/17 17:27:56: Pauline Payen: The place is crowded with tourists
01/08/17 17:28:19: Pauline Payen: A huge boat on the horizon
01/08/17 17:28:34: Raz: 
01/08/17 17:28:39: Pauline Payen: A lot of blue chairs on the street
to sit and watch the sea
01/08/17 17:28:37: Raz: ;)
01/08/17 17:28:44: Pauline Payen: :)
01/08/17 17:29:05: Pauline Payen: African refugees selling fake
channel bags on the floor
01/08/17 17:29:08: Pauline Payen: Tired
01/08/17 17:28:58: Raz: A lot of blue then
01/08/17 17:29:16: Pauline Payen: Ts
01/08/17 17:29:18: Pauline Payen: Yes
01/08/17 17:29:35: Raz: What color is the sky now?

01/08/17 17:30:00: Raz: A fake channel! Lets buy one! ;)
01/08/17 17:30:28: Raz: Oh english red burnt skin is a bit hard to
watch ..
01/08/17 17:30:31: Pauline Payen: 2017-08-01-PHOTO-00000111.jpg
<attached>
01/08/17 17:30:35: Raz: Lol
01/08/17 17:30:41: Pauline Payen: Haha
01/08/17 17:31:02: Pauline Payen: This is our view right now but we
keep walking
01/08/17 17:31:29: Pauline Payen: On our left, the Palm trees are
smaller because I think they have been destroyed one year ago
01/08/17 17:31:37: Raz: Funny, it seems like Raul was painting a
very different view from whats in front of him ;)
01/08/17 17:31:59: Pauline Payen: 😊
01/08/17 17:32:14: Raz: Did i see a fence on the beach?
01/08/17 17:32:19: Raz: Why is it there?
01/08/17 17:32:55: Pauline Payen: Yes, the street is higher than the
shore so they put a fence for babies, old ladies and drunken
tourists not to fall
01/08/17 17:33:30: Raz: Strange. It seems like it is dividing the
shore
01/08/17 17:33:56: Raz: It looks like a garden fence
01/08/17 17:34:19: Pauline Payen: We are arriving to a bigger street
on the left. If we continue straight will be then the old city area,
and after that a hill then a port.

01/08/17 17:34:40: Pauline Payen: What would you prefer to visit?
01/08/17 17:34:49: Raz: Oh is the hill very far? Can we get there?
01/08/17 17:34:59: Raz: Id love to get a sight of the port
01/08/17 17:35:05: Pauline Payen: Yes we can finish the tour there !
01/08/17 17:35:24: Pauline Payen: On our left we passed a tacky old casino
01/08/17 17:35:32: Pauline Payen: And next to it McDonald's
01/08/17 17:35:46: Pauline Payen: On or eight young guys listening to rap music
01/08/17 17:36:09: Pauline Payen: All the way old people dressed in white, pink, clear blue or red. They look rich
01/08/17 17:36:16: Raz: What a mix of culture
01/08/17 17:36:27: Pauline Payen: Yes
01/08/17 17:36:49: Pauline Payen: Also Asian tourists are booming here
01/08/17 17:36:55: Raz: Maybe they had their fortune at the Casino back then in the 80's
01/08/17 17:37:12: Pauline Payen: Maybe...
01/08/17 17:37:11: Raz: ;)
01/08/17 17:37:21: Pauline Payen: Or it belongs to the mafia!
01/08/17 17:37:25: Raz: So how is the sand? Is it a sand at all?
01/08/17 17:37:38: Raz: Mm more likely
01/08/17 17:37:57: Pauline Payen: Ah no! It is very tiny grey and white stones!
01/08/17 17:38:32: Raz: Hmm i guess a lot of it is smashed shells and such isn't?
01/08/17 17:39:01: Pauline Payen: Mmmm
01/08/17 17:39:34: Raz: Does it feel warm?
01/08/17 17:39:49: Pauline Payen: In French we call them "galets"
01/08/17 17:40:02: Raz: So we are in France?!
01/08/17 17:40:06: Pauline Payen: Yes it's warm :)
01/08/17 17:40:29: Pauline Payen: There are traces of cray, candles, messages of love and hope for a better world on the floor.
01/08/17 17:40:48: Pauline Payen: One year ago many people lost their lives here
01/08/17 17:41:06: Raz: Oh :(so sad
01/08/17 17:41:45: Pauline Payen: But life continue, and next to it a music band, two small children dancing
01/08/17 17:42:09: Raz: What kind of music do they play?
01/08/17 17:42:23: Pauline Payen: Jazz/funk
01/08/17 17:42:49: Pauline Payen: One battery a bass and an electric guitar
01/08/17 17:43:42: Raz: Do they put a hat or something to get money ?
01/08/17 17:44:37: Pauline: They put the guitar s cover
01/08/17 17:45:10: Raz: Oh true.. that makes more sense. Well i wish them luck ;) what else is on the way to that hill, can we see it stands up in front of us?
01/08/17 17:45:12: Pauline: An old man is sitting on the small gene with a blue and white shirt rapping with his foot
01/08/17 17:45:37: Pauline Payen: Hahaha I'm sorry automatic writing mistakes!!!
01/08/17 17:45:35: Raz: He sounds like a cool old man
01/08/17 17:45:50: Pauline Payen: He is not rapping he is tapping

01/08/17 17:46:01: Raz: Hihi
01/08/17 17:46:06: Raz: Cute
01/08/17 17:46:25: Pauline Payen: There are flags, and yes the hill in front with some buildings and a hotel on it
01/08/17 17:46:45: Raz: What kind of flags?
01/08/17 17:47:04: Pauline Payen: Damn too many mistakes on my writing sorry it's because I walk and text bad combination
01/08/17 17:47:28: Raz: Russian, german, French, suiss and local flags
01/08/17 17:48:15: Raz: An old lady sleeping on the street next to a wheel chair and a can of orangina
01/08/17 17:48:37: Pauline Payen: Little dog barking with little annoying sounds also
01/08/17 17:48:44: Raz: Yes. Watch out. I just heard that in some country they made it illegal to cross the road while playing with your smartphone
01/08/17 17:49:26: Pauline Payen: Hahhaha! They better !
01/08/17 17:50:04: Pauline Payen: On the left there are small houses, on our right the sea and people playing volleyball
01/08/17 17:50:25: Pauline Payen: Some crazy person screaming behind us
01/08/17 17:50:28: Raz: What an image! The flags, the old lady and the orangina.. it is almost grotesque, very busy
01/08/17 17:50:54: Raz: Does he scream in french?
01/08/17 17:51:06: Pauline Payen: I think so
01/08/17 17:51:12: Pauline Payen: Not very clear

01/08/17 17:52:14: Raz: Are there still palm trees along the way?
01/08/17 17:52:23: Pauline Payen: Yes!!!!
01/08/17 17:52:41: Raz: Thats the most stable thing on our trip

01/08/17 17:53:07: Raz: I wonder what ages are these boys at the bar

01/08/17 17:54:08: Pauline Payen: We can hear English, Italian, Russian, Chinese, Arab, and French languages
01/08/17 17:53:58: Raz: Its a nice thing that the palm trees became our route
01/08/17 17:54:23: Pauline Payen: Throughout the way
01/08/17 17:54:50: Pauline Payen: I can send you one more picture you can ask me whenever you want

01/08/17 18:01:35: Pauline Payen: We re not climbing stairs that is another tour
01/08/17 18:02:01: Pauline Payen: Now I walked few more meters. Someone made a house on a bench. With a big umbrellas and cardboard. Two men. One young man and one old man. They make a funny pair. The young man is burnt by the sun and is screaming at people meanly telling them how stupid they are . Saying things like "why you take that picture like that why don't you stand there it's much better it upsets me fuck!" "This is the land of dumbass" or "you, you, forget it, go back to Ching Ching China land stupid"
01/08/17 18:02:05: Raz: Cool.. i don't gave the energy for such stairs
01/08/17 18:02:36: Pauline Payen: The old man is quiet and reading with a pile of perhaps 50 books stuck between the bench and the big umbrella
01/08/17 18:03:44: Raz: Haha.. well regarding the young man's conclusions.. i have the feeling i might agree with some of his..
01/08/17 18:05:18: Pauline Payen: ?
01/08/17 18:05:46: Raz: It sounds a bit too touristic, on the other hand, he decided to make his home on a bench in this very touristic place..
01/08/17 18:06:19: Raz: I mean, i guess tourists can look a bit silly
01/08/17 18:06:52: Pauline Payen: Well tourism is one issue racism another
01/08/17 18:07:11: Raz: Oh that is true indeed
01/08/17 18:08:21: Pauline Payen: Now we are facing the port
01/08/17 18:08:25: Raz: Lets go to a quite spot
01/08/17 18:08:41: Raz: So how is the view from there?
01/08/17 18:08:47: Raz: Do you like it?
01/08/17 18:09:02: Pauline Payen: It's a corniche, on top of the small hill
01/08/17 18:09:21: Pauline Payen: Under us are rocks and we can hear the sound of the sea and waves crushing on the rocks
01/08/17 18:09:27: Pauline Payen: Maybe 30 meters
01/08/17 18:09:54: Pauline Payen: In front are much bigger hills, with buildings and houses inside and at the bottom is the port
01/08/17 18:10:02: Raz: Thats a very different sight
01/08/17 18:10:21: Pauline Payen: Yes
01/08/17 18:10:41: Pauline Payen: It is more quiet
01/08/17 18:10:46: Raz: I mean, this wild nature thing of the sea

01/08/17 18:11:03: Raz: Crushing on the rocks endlessly
01/08/17 18:12:29: Raz: Its interesting to look at all these hills and houses and buildings, and all these people we saw, the rich and the poor.. and think that the sea does the same thing all these years, throughout all these cultural changes
01/08/17 18:13:19: Pauline Payen: Sometimes very quiet and smooth sometimes stormy. Looking at the sea, there is the horizon line and a helicopter
01/08/17 18:13:45: Pauline Payen: And far away I also can see a very small boat with two people inside
01/08/17 18:14:02: Pauline Payen: This is where we end the tour :)
01/08/17 18:14:08: Pauline Payen: I hoped you enjoyed !
01/08/17 18:14:13: Raz: A perfect spot
01/08/17 18:14:21: Pauline Payen: I hope you enjoy I meant
01/08/17 18:14:29: Pauline Payen: Rrrhhhhhaa!!!
01/08/17 18:14:35: Pauline Payen: I hope you enjoyed
01/08/17 18:14:38: Pauline Payen: Lol
01/08/17 18:14:37: Raz: Haha
01/08/17 18:15:00: Raz: Enjoyed it very much. Was very interesting.
01/08/17 18:15:41: Raz: I actually got a lot of sights and images in my mind
01/08/17 18:15:50: Pauline Payen: Nice !
01/08/17 18:16:10: Raz: Well, thank you so much ;) happy we ended it in such a spot
01/08/17 18:16:24: Pauline Payen: You re welcome
01/08/17 18:16:44: Pauline Payen: Can you tell me what is on your left and what is on your right?
01/08/17 18:16:48: Pauline Payen: Very short
01/08/17 18:16:59: Pauline Payen: I'm curious ;)
01/08/17 18:17:07: Raz: Haha
01/08/17 18:17:48: Raz: On my left is my bookshelf
01/08/17 18:17:59: Raz: On mu right is the couch
01/08/17 18:18:17: Raz: And my sweet dog is just in front of me.
01/08/17 18:19:24: Pauline Payen: :)
01/08/17 18:19:24: Raz: But behind me, across the walls of my flat, there's a garden, with flowers and a very small palm tree. From which you can go to a quite small street that leads to the sea shore
01/08/17 18:19:36: Raz: *behind me
01/08/17 18:19:41: Pauline Payen: Hahahah!
01/08/17 18:19:48: Raz: True!
01/08/17 18:19:51: Pauline Payen: #inception
01/08/17 18:20:10: Pauline Payen: Thank you
01/08/17 18:20:13: Raz: ;)
01/08/17 18:20:23: Pauline Payen: I wish you a good evening (?)
01/08/17 18:20:30: Raz: Thanks a lot. Was inspiring
01/08/17 18:20:40: Raz: An evening indeed. Soon sunset
01/08/17 18:20:53: Raz: At the horizon of the sea!
01/08/17 18:21:03: Pauline Payen: Enjoy!
01/08/17 18:21:12: Pauline Payen: 🖐️
01/08/17 18:21:23: Raz: You too. Enjoy your way back home
01/08/17 18:21:32: Raz: Thanks a lot once again
01/08/17 18:21:35: Raz: 😊😊
01/08/17 18:21:51: Pauline Payen: :)
01/08/17 18:21:53: Pauline Payen: Xoxo

31.07.17, 15:01:42: Julia: Hi I am your tourist for today's tour!

31.07.17, 15:08:04: Shiri: Hello and good afternoon 🍎 we will start our tour in 15 min. Please make sure you have your wallet and shopping bag available!

31.07.17, 15:08:40: Julia: Ok great! I am ready!

31.07.17, 15:34:36: Shiri: Hello to my tourist on this warm and lovely afternoon *

31.07.17, 15:34:47: Shiri: Since the weather is rather hot, today's tour will be surrounding the hertzel st. Shopping area in Ramat Gan

31.07.17, 15:35:01: Julia: Sounds great!

31.07.17, 15:35:46: Shiri: Most tourist will not find this street as a tourist highlight, which will make our tour even better!

31.07.17, 15:36:10: Julia: Why wouldn't they?

31.07.17, 15:36:37: Shiri: Well only because they don't know it!

31.07.17, 15:37:32: Shiri: This street is actually a wonderful place for food shopping, clothing and other findings

31.07.17, 15:38:14: Shiri: While markets around the world need to look like a market, hertzel st in ramat gan does not look like one.

31.07.17, 15:38:31: Shiri: It pretty much looks like an ordinary street with many shops

31.07.17, 15:39:06: Shiri: While in reality, this is one good market 🍷

31.07.17, 15:39:12: Shiri: Let's start then!!

31.07.17, 15:40:36: Shiri: Coming from Jabotinsky street we will start walking 🚶♀️🚶

31.07.17, 15:40:54: Julia: Are there many people shopping right now?

31.07.17, 15:41:23: Shiri: Hertzel street is full of shoppers at any time!

31.07.17, 15:41:41: Shiri: Also with hungry people looking for a snack

31.07.17, 15:41:55: Julia: What does it smell like the street?

31.07.17, 15:42:08: Shiri: But we will start with my mother's vegetable seller

31.07.17, 15:42:53: Shiri: * the street usually has no particular smell, but on this time of the year

31.07.17, 15:43:20: Shiri: There are a lot of Ficus tree fruits that fall off

31.07.17, 15:43:38: Shiri: So you might find the smell a bit sour

31.07.17, 15:43:49: Shiri: 😊

31.07.17, 15:44:06: Julia: Ha, I wish I could smell it now!

31.07.17, 15:44:19: Shiri: When you step on the Ficus tree fruits they make a funny sound

31.07.17, 15:44:27: Julia: I can't imagine what a ficus smells like

31.07.17, 15:44:31: Julia: What kind of sound?

31.07.17, 15:44:41: Shiri: And get stuck on your shoes 🌸

31.07.17, 15:45:21: Shiri: Don't forget that this fruits are the sole food of the bats in this neighborhood

31.07.17, 15:45:44: Julia: Shoe sole food...:-D

31.07.17, 15:45:51: Shiri: And there are a lot of them! Join me in a different night for bats tour in ramat gan

31.07.17, 15:46:18: Shiri: (It sounds like "skwuush")

31.07.17, 15:46:50: Shiri: But now the bats are sleeping so we can leave them ☺🍼

31.07.17, 15:47:54: Shiri: On the left side of hertzel you can see 2 funny shops. Photo Lior is a photography shop from the 70's

31.07.17, 15:48:20: Julia: Did we pass your mums vegetable shop already?

31.07.17, 15:48:25: Shiri: He is still doing passport pictures the old way! U can go in and ask to have one

31.07.17, 15:48:48: Shiri: Ohh yes we will get to my moms veggie shop in a second

31.07.17, 15:49:13: Shiri: If you don't feel like having a picture we can go to my moms veggie shop

31.07.17, 15:49:23: Julia: I would love to have one

31.07.17, 15:49:44: Shiri: Please please come in 🎀

31.07.17, 15:50:42: Shiri: Now Lior, will take your picture upstairs, for only 15 shekels (the price also hasn't changed for the 70's)

31.07.17, 15:51:05: Julia: Thats cheap!

31.07.17, 15:52:13: Shiri: Come on come on, this is the last remains from photo-shops that still live analog photos

31.07.17, 15:52:41: Shiri: Which is probably an old dinosaur

31.07.17, 15:52:59: Shiri: Now that u took a picture we can go on \$\$ \$

31.07.17, 15:53:15: Julia: Can I see the picture?

31.07.17, 15:53:22: Julia: Or it takes a while too pick it up?

31.07.17, 15:53:52: Shiri: He just dries it with the hair fan

31.07.17, 15:53:58: Shiri: For 2 min

31.07.17, 15:54:19: Shiri: So meanwhile we'll check out my moms veggie guy

31.07.17, 15:54:21: Julia: Wow, so we don't need to wait until its ready?

31.07.17, 15:54:24: Julia: cool

31.07.17, 15:55:22: Shiri: Now we have a dispute. My veggie guy is Moti, my mom's veggie guy is Moshe

31.07.17, 15:56:14: Shiri: PHOTO-00000106.jpg <attached>

31.07.17, 15:56:38: Julia: Why do you prefer Moti?

31.07.17, 15:57:36: Shiri: You will soon see why I prefer Moti, but I'm quite sure that Moshe gives my mom better deals!!!

31.07.17, 15:58:20: Shiri: (Don't buy any leaves of any kind... we will also go to the leaf guy later)

31.07.17, 15:58:51: Shiri: So we you can buy a fruit if you feel like, but let's go to the pastry shop !!!!

31.07.17, 15:59:17: Shiri: I love pastry and this funny shop is owned by a family that came from Georgia

31.07.17, 16:00:29: Shiri: All the family works here, including the father, the mother, the son, his wife, his wife's sister!

31.07.17, 16:01:00: Julia: How do you know? Do you chat with them a lot?

31.07.17, 16:01:05: Shiri: If you ask me, there is this apricot cake, it's great!

31.07.17, 16:01:49: Shiri: Well, we live here together for 20 years

31.07.17, 16:02:08: Shiri: And every Friday I come to buy something for Saturday

31.07.17, 16:02:45: Shiri: And on week days, if we don't feel like

cooking, we come here and buy some Burekas

31.07.17, 16:03:08: Shiri: (Which is the smaller version of the Turkish Borek)

31.07.17, 16:03:59: Shiri: NOW, while we sit outside for a bite, you can see that across the street something is going on!

31.07.17, 16:04:38: Shiri: This is Almog&Harel

31.07.17, 16:05:19: Julia: What is this?

31.07.17, 16:05:27: Shiri: These 2 brothers opened this whole food store to keep a competition against the supermarket that is just 10 meters away from them

31.07.17, 16:05:51: Julia: Its a nice name? is it the two brother's name?

31.07.17, 16:06:52: Shiri: So you can find here all kinds of dry fruits, legumes, crackers and sweets

31.07.17, 16:07:50: Shiri: One brother is Almog (it means coral) and the other one is Harel (which means roughly god-mountain)

31.07.17, 16:08:09: Julia: Such a beautiful combination of names

31.07.17, 16:08:27: Shiri: Usually Harel is at the cashier while Almog is making noise 😊

31.07.17, 16:08:44: Julia: What kind of noise? 😊

31.07.17, 16:09:35: Shiri: Always salute the neighbors, yells something to Moshe, calls customers for the deal of the day

31.07.17, 16:09:47: Julia: What is the deal of the day today?

31.07.17, 16:09:52: Shiri: And sometimes he is just not happy with something 😊

31.07.17, 16:11:05: Shiri: Well the usual deals nothing special, you can see Almog is pretty board and is looking for "balagan"

31.07.17, 16:11:22: Shiri: Which means he will soon pick up a fight with someone (-:

31.07.17, 16:11:35: Shiri: This is how this store opened!

31.07.17, 16:11:55: Shiri: He started a fight with the supermarket, and won this fight

31.07.17, 16:12:16: Shiri: Because everybody buys at his store 🍌

31.07.17, 16:12:45: Shiri: Come come let's move on, we have so much more!!

31.07.17, 16:14:40: Shiri: From my moms veggie and the pastry shop we will go on, pass the next veggie !!

31.07.17, 16:15:05: Shiri: And after it there is the famous chicken grilllll!!!

31.07.17, 16:15:34: Shiri: For everybody in the neighborhood this is the savior !!

31.07.17, 16:15:55: Julia: Why?

31.07.17, 16:16:03: Shiri: Home made dishes cooked by two women who got out from jail

31.07.17, 16:16:08: Julia: Savior for the hungry ones with no time to cook?

31.07.17, 16:16:22: Julia: From Jail?!

31.07.17, 16:16:36: Shiri: Firstly indeed people can't cook all day long

31.07.17, 16:16:53: Shiri: And sometimes they can't pick up the kids from school on time

31.07.17, 16:17:59: Shiri: So when you go in, especially at noon, you will find some kids that finished school, some office people,

Almog and Harel always eat here

31.07.17, 16:18:22: Shiri: And occasionally an old neighbor who lost his way

31.07.17, 16:19:17: Shiri: The two ladies that cook here, were in jail and found rehabilitation in this business

31.07.17, 16:19:45: Julia: Do you know why they went to jail?

31.07.17, 16:21:05: Shiri: Ohhh well... one of them used to rob old people and the other one was just at the wrong time at the wrong place

31.07.17, 16:21:12: Shiri: (So she says)

31.07.17, 16:21:40: Julia: Oha. How old are they?

31.07.17, 16:22:07: Shiri: They are like in their 50s

31.07.17, 16:22:25: Shiri: With funny tattoo

31.07.17, 16:22:32: Julia: What kind of tattoo?

31.07.17, 16:22:41: Shiri: And short hair and strong arms!

31.07.17, 16:23:29: Shiri: You know jail tattoo? When you make them with no machine, only with a pen and a needle, they always turn smudged

31.07.17, 16:23:55: Julia: Oha yes! But is it a picture of something or just a pattern?

31.07.17, 16:24:20: Shiri: 🙌 while you pick up a sambusak to eat I will tell u about the supermarket!!

31.07.17, 16:24:37: Julia: sambusak?

31.07.17, 16:24:41: Shiri: (Take the veggie sambusak! It's the best!)

31.07.17, 16:24:55: Julia: What is it? Veggie sounds great! ill go for this

31.07.17, 16:25:59: Shiri: Sambusak is this Iraqi pastry, basically a very large ravioli that is fried in deep oil

31.07.17, 16:26:46: Shiri: The veggie sambusak is with smashed chickpea

31.07.17, 16:27:43: Shiri: Now when u look at the supermarket, I have to tell u that about 20 years ago the Russians came to this neighbourhood

31.07.17, 16:28:21: Shiri: The Iraqi people here weren't delighted but were friendly as they have always been.

31.07.17, 16:29:21: Shiri: One day, this Russian guy decided to open a supermarket near the one that existed, where now is the "tiv taam"

31.07.17, 16:30:03: Shiri: The old super didn't like the competition, so on one summer night they gave fire to the competition

31.07.17, 16:30:13: Julia: Oh no!

31.07.17, 16:31:18: Shiri: PHOTO-00000107.jpg <attached>

31.07.17, 16:31:44: Shiri: So after a while all the smoke went out through the big buildings upstairs

31.07.17, 16:32:00: Shiri: And all the people who lived there needed to evacuate

31.07.17, 16:32:20: Shiri: But there were no fire escapes 😞

31.07.17, 16:32:36: Julia: Sounds like a horrible night!

31.07.17, 16:32:48: Julia: I hope everyone survived?

31.07.17, 16:32:51: Shiri: So the fire fighters had to take each person down the ladder 😊

31.07.17, 16:33:08: Shiri: And all kids were happy because they had

an adventure !!

31.07.17, 16:33:15: Julia: Must have been an interesting
'performance':-D

31.07.17, 16:33:27: Shiri: No one was hurt at all

31.07.17, 16:33:51: Julia: Did you witness it in person?

31.07.17, 16:34:13: Shiri: But the competition super was burned

31.07.17, 16:34:51: Shiri: Well... I came home after parting all
night long to find that I can't go up 🤔

31.07.17, 16:35:05: Julia: Ahh you live in this building?

31.07.17, 16:35:16: Shiri: I met my mom and sister later and went to
to my moms friend 😞

31.07.17, 16:35:37: Shiri: Yes indeed this is where I live 😊

31.07.17, 16:36:11: Shiri: Hey...let's go to Moti! He has 5 kinds of
grapes

31.07.17, 16:36:23: Shiri: And enormous watermelons

31.07.17, 16:36:41: Julia: Wow how big are they?

31.07.17, 16:37:28: Shiri: They are so big, you need 4 arms to lift
them 🙊

31.07.17, 16:38:07: Shiri: Hmmm where is Moti? I wanted to take his
picture

31.07.17, 16:38:09: Shiri: For y

31.07.17, 16:38:25: Julia: A picture of him?

31.07.17, 16:38:59: Julia: I am curious what he looks like!

31.07.17, 16:39:08: Julia: Is he there ?

31.07.17, 16:39:33: Shiri: He is from Bukhara!

31.07.17, 16:39:45: Julia: Where is that?

31.07.17, 16:40:11: Shiri: He is big and white and has green eyes,
and when he moves around his face turns red in a second

31.07.17, 16:40:46: Shiri: BUKHARA is actually the Jewish place in
Uzbekistan

31.07.17, 16:41:16: Shiri: Where most Jews used to live. There is a
big community in ramat gan

31.07.17, 16:42:07: Shiri: You can buy whatever you want and you can
pick it up later 🍀

31.07.17, 16:42:57: Shiri: Ohhh my look at the time! We walked only
20

Meters 😂😂😂😂

31.07.17, 16:43:39: Julia: Wow time was flying

31.07.17, 16:43:51: Julia: It is a pleasure to walk with you

31.07.17, 16:44:14: Shiri: Let's go across the street to finish our
short tour in Amnon's kiosk

31.07.17, 16:44:26: Shiri: Which is a huge one (-:

31.07.17, 16:44:53: Shiri: Let's buy beer and sit here on the bench

31.07.17, 16:45:23: Julia: Sounds good! Is there one in the shade?

31.07.17, 16:45:38: Shiri: This is the real hang out in this street

31.07.17, 16:46:01: Shiri: Ohhh well all the street is shaded
because of the Ficus trees (-:

31.07.17, 16:46:36: Julia: Ha great!

31.07.17, 16:46:57: Shiri: And now that we are having a Baltica
(that blonde Russian beer)

31.07.17, 16:47:37: Shiri: I wanted to tell you that all around the

31.07.17, 16:49:09: Julia: And open all night?

31.07.17, 16:49:56: Shiri: No no... they close at 12:00 when the

1.8.2017, 10:03 - Romina: hey! i signed up to participate in the tour.....?

1.8.2017, 10:04 - Namushka: Yes! I am here for you! Welcome :)

1.8.2017, 10:04 - Namushka: How are you?

1.8.2017, 10:04 - Romina: :)

1.8.2017, 10:04 - Romina: i am good. how are you?

1.8.2017, 10:04 - Namushka: I'm also good!

1.8.2017, 10:05 - Namushka: The weather makes me happy

1.8.2017, 10:05 - Namushka: It's very sunny, an humid, but not as hot as usually

1.8.2017, 10:06 - Romina: sounds good, i hope that the sun will come out today

1.8.2017, 10:06 - Namushka: Not even one cloud here!

1.8.2017, 10:06 - Namushka: But we walk in the shade, we should take care of our skin

1.8.2017, 10:07 - Namushka: But enough about the weather! Let's start !

1.8.2017, 10:07 - Romina: yes, please!

1.8.2017, 10:09 - Namushka: We start with a tiny bit of history: we are on the first street of the city, with a lot of first things. We start from the newer part of it, walking towards the oldest part of it.

1.8.2017, 10:09 - Namushka: So now we start walking

1.8.2017, 10:09 - Romina ok, lets walk

1.8.2017, 10:10 - Romina: do we have a final place where we go or do we decide spontaneously?

1.8.2017, 10:11 - Namushka: We decide spontaneously as we walk :)

1.8.2017, 10:11 - Namushka: Just observing the street

1.8.2017, 10:11 - Romina: i like that

1.8.2017, 10:11 - Namushka: Great!

1.8.2017, 10:12 - Namushka: Just two more important informations: the tour will be around 45 min. long, and you are allowed to ask me to send you 2 photos whenever you want

1.8.2017, 10:12 - Romina: 🙌

1.8.2017, 10:13 - Romina: IMG-20170801-WA0000.jpg <attached>

1.8.2017, 10:14 - Namushka: If i stop and look in front of me the most dominant color is green, and there is a strange mixture of natural and artificial colors

1.8.2017, 10:15 - Romina: what are artificial colours, like pink? i always enjoy seeing a lot of green, it gives a calming feeling

1.8.2017, 10:16 - Namushka: Can you see the half naked guy on the opposite balkony?

1.8.2017, 10:16 - Namushka: It's more like artificial green

1.8.2017, 10:16 - Romina: hihi...yes but i rather don't want to ;)

1.8.2017, 10:17 - Namushka: Yes maybe!

1.8.2017, 10:17 - Namushka: We are getting closer to a big intersection, very busy usually

1.8.2017, 10:17 - Romina: would you say tel aviv is a "green city"?

1.8.2017, 10:18 - Namushka: 'Tel- Aviv' has some green parts, and some are not. It depends who they voted in the municipal election and how many tax they pay

1.8.2017, 10:19 - Romina: i see...

1.8.2017, 10:19 - Namushka: Don't get confused, the dominant green here is not because it is green here...

1.8.2017, 10:20 - Romina: can you maybe describe the sounds around you?

1.8.2017, 10:21 - Namushka: There is constantly a layer of driving cars sound

1.8.2017, 10:21 - Namushka: And one woman talks on the phone

1.8.2017, 10:21 - Namushka: A truck

1.8.2017, 10:21 - Namushka: And some construction noise

1.8.2017, 10:22 - Namushka: People pass by shouting at the phone

1.8.2017, 10:23 - Namushka: We are standing now in front of a very 'beautiful' spot: an aircondition wall

1.8.2017, 10:25 - Namushka: You wouldn't say it's beautiful, but i like it. Different aircondition engines, hung randomly and tons of pipes around

1.8.2017, 10:25 - Namushka: You can see the time recognising the age of the engine

1.8.2017, 10:28 - Romina: Could you send me a photo of this wall?

1.8.2017, 10:28 - Romina: sounds like an interesting structure

1.8.2017, 10:28 - Namushka: Sure!

1.8.2017, 10:29 - Namushka: IMG-20170801-WA0002.jpg <attached>

1.8.2017, 10:30 - Namushka: Let's play a game! I'm walking now, and you can stop me whenever you want and ask me to describe what i see

1.8.2017, 10:31 - Romina: let's do that!

1.8.2017, 10:31 - Namushka: Cool!

1.8.2017, 10:31 - Namushka: I'm walking

1.8.2017, 10:31 - Namushka: I walk north

1.8.2017, 10:32 - Namushka: I walk slow

1.8.2017, 10:32 - Romina: what do you see now? already different than before?

1.8.2017, 10:33 - Namushka: Yes

1.8.2017, 10:33 - Namushka: Now it's also different when i look right or left, up or down

1.8.2017, 10:33 - Namushka: You name it

1.8.2017, 10:34 - Romina: of course! please turn to the left..what is there?

1.8.2017, 10:34 - Namushka: Very interesting!

1.8.2017, 10:34 - Namushka: It's a desert inside a closed shop!!

1.8.2017, 10:34 - Romina: a desert?

1.8.2017, 10:35 - Namushka: Yes, with sand

1.8.2017, 10:35 - Namushka: And little mountains and valleys

1.8.2017, 10:35 - Romina: are there animals living there also?

1.8.2017, 10:35 - Namushka: It's written love in the sky

1.8.2017, 10:36 - Namushka: No, no animals

1.8.2017, 10:36 - Romina: i think i like this place

1.8.2017, 10:36 - Namushka: But leftovers of mankind that used to be there: a Venetian mask

1.8.2017, 10:37 - Romina: would you go on a little bit?

1.8.2017, 10:37 - Namushka: Yes

1.8.2017, 10:37 - Namushka: I'm waljing

1.8.2017, 10:37 - Namushka: K

1.8.2017, 10:38 - Namushka: I walk slow

1.8.2017, 10:38 - Namushka: The sun is near us

1.8.2017, 10:38 - Namushka: It will get very hot soon

1.8.2017, 10:38 - Namushka: Can you hear the bike bell
1.8.2017, 10:39 - Romina: what is now beneath your feet? what can you see on the ground you are walking on?
1.8.2017, 10:39 - Romina: stop ;)
1.8.2017, 10:40 - Talushka: It's a very dirty floor, it used to be blue-grey, but now it's almost black
1.8.2017, 10:40 - Namushka: And some cigarette ash
1.8.2017, 10:41 - Namushka: And glass broken so tiny, that you can almost imagine the whole thing as a milky way
1.8.2017, 10:42 - Namushka: Some old chewing gums, that are like basalt stones
1.8.2017, 10:43 - Romina: it's like a landscape as you are describing it...
1.8.2017, 10:43 - Namushka: I'm zooming in!
1.8.2017, 10:44 - Romina: are you tired of walking or the sun?
1.8.2017, 10:44 - Namushka: No, i'm good!
1.8.2017, 10:44 - Romina: good :)
1.8.2017, 10:44 - Namushka: Now we also stopped on a historical corner, with a first thing happened here
1.8.2017, 10:45 - Namushka: Do you want to know it?
1.8.2017, 10:45 - Romina: of course! i already wondered what first things things in the beginning!
1.8.2017, 10:46 - Namushka: Cool, so on that corner, actually two first things: the first röntgen institute of the city, and first kiosk of the city
1.8.2017, 10:47 - Romina: the first kiosk is special !
1.8.2017, 10:47 - Namushka: What was your first tour outside your country?
1.8.2017, 10:47 - Romina: where i am kiosks are so important for the whole city!
1.8.2017, 10:48 - Romina: mmhhhh..you mean holidays?
1.8.2017, 10:48 - Namushka: Yes, for instance
1.8.2017, 10:48 - Namushka: Was there something else?
1.8.2017, 10:49 - Romina: i think i went to italy, to the beach... i hardly can't remember because i was very young, maybe 4 years old!?
1.8.2017, 10:49 - Namushka: What is your first memory?
1.8.2017, 10:50 - Namushka: (Meanwhile i keep walking)
1.8.2017, 10:50 - Romina: (am i allowed to stop you again?)
1.8.2017, 10:50 - Namushka: (Yes)
1.8.2017, 10:50 - Romina: my first memory within this trip i suppose you mean..
1.8.2017, 10:51 - Namushka: No, i meant in general
1.8.2017, 10:51 - Romina: i have to think about it...
1.8.2017, 10:51 - Namushka: 😊
1.8.2017, 10:51 - Romina: S-T-O-P
1.8.2017, 10:51 - Namushka: Stopped
1.8.2017, 10:52 - Romina: what is on your left side?
1.8.2017, 10:52 - Namushka: It's a building that looks like its made out of cardboard
1.8.2017, 10:53 - Namushka: With small brown windows
1.8.2017, 10:53 - Namushka: And you can tell by the sky that we are close to the beach
1.8.2017, 10:53 - Romina: oh, nice :)
1.8.2017, 10:54 - Namushka: Did you remember your first memory?

1.8.2017, 10:55 - Romina: i can't remember my first memory:/ i think we have memory's because of photos we remember.. there i remember e.g. building a huge snowman

1.8.2017, 10:55 - Namushka: Now we are almost ending the tour, and we almost arrive to the beginning of the street (we started close to the end)

1.8.2017, 10:55 - Namushka: I have a similar picture/memory from childhood!

1.8.2017, 10:56 - Romina: you have? what is it?

1.8.2017, 10:57 - Namushka: Building a snowman with my dad. But i also do remember it because my first snow came when i was old enough to remember

1.8.2017, 10:57 - Romina: :)

1.8.2017, 10:59 - Namushka: Now lets think how to finish. You still didn't use your last picture, i have one more historical fact, and you can ask for a last description

1.8.2017, 10:59 - Romina: oh, please send me a picture of the sky...

1.8.2017, 11:00 - Namushka: IMG-20170801-WA0004.jpg <attached>

1.8.2017, 11:00 - Romina: i also would like to hear the historical fact ..

1.8.2017, 11:01 - Namushka: We are sitting in front of what used to be the tallest building in the city, which introduced the first escalator to the people of this country

1.8.2017, 11:02 - Namushka: And i thought that i didn't describe people to you, maybe you want this as a last description- a person?

1.8.2017, 11:03 - Romina: you are right! yes, the next person coming by maybe?

1.8.2017, 11:03 - Romina:

1.8.2017, 11:04 - Namushka: Ok!

1.8.2017, 11:04 - Namushka: It's a man

1.8.2017, 11:04 - Namushka: Topless

1.8.2017, 11:04 - Namushka: Old muscles

1.8.2017, 11:04 - Namushka: Very tan

1.8.2017, 11:04 - Namushka: He looks like he is made of bronze

1.8.2017, 11:05 - Namushka: And it's a nice contrast to his blue swimsuit

1.8.2017, 11:05 - Romina: thank you so much for the tour!

1.8.2017, 11:06 - Namushka: Thank you for participating!

1.8.2017, 11:06 - Namushka: I hope you got a nice view of the city

1.8.2017, 11:06 - Romina: a lot of impressions. hope to visit these places again :)

1.8.2017, 11:07 - Namushka: Ciao!

1.8.2017, 11:07 - Romina: bye!

02/08/17, 21:08:14: Messages to this chat and calls are now secured with end-to-end encryption.

02/08/17, 21:08:14: Veronika: Hey there, it's Veronika . Are you my tour guide?

02/08/17, 21:11:08: Yaara: Hi Veronika, yes I am that's the reason for my big red hat although it's already dark :) my name is Yaara how are you tonight? Are you ready?

02/08/17, 21:12:01: Veronika: Yes the big red head made me think that you must be it :) I am ready to go...

02/08/17, 21:12:20: Veronika : Hat i mean ;)

02/08/17, 21:13:26: Yaara: Great! So you can tie down your bicycle cause we'll be walking up Rothschild boulevard

02/08/17, 21:13:48: Veronika : Okay... I ll do that

02/08/17, 21:14:11: Yaara: I know it's really hot but we have a bit of breeze and our rad heads so seems like we're good :(

02/08/17, 21:14:17: Yaara: On meant :)

02/08/17, 21:14:25: Veronika: :)

02/08/17, 21:15:54: Yaara: So we start in this square now, pretty active around us, people dressed up (tlv way means hardly dressed..) and already you can see all the building around us

02/08/17, 21:16:23: Yaara: Some are really pretty and tells a story, some are really new and soulless but that's what it's all about

02/08/17, 21:17:24: Yaara: I picked this boulevard for you because it's a cool mix of night life and architecture

02/08/17, 21:17:51: Veronika: It really is :) good choice!

02/08/17, 21:18:04: Veronika: Maybe wait a second

02/08/17, 21:18:13: Veronika: I'd like to take some pictures

02/08/17, 21:19:07: Yaara: Sure! What grabbed your attention? Is that the half deserted house or is it the tree with the enormous trunk?

02/08/17, 21:19:30: Veronika : The half deserted house...

02/08/17, 21:20:11: Yaara: Well it's a bit scare though..

02/08/17, 21:20:34: Veronika: A bit, but I kind of like it ...

02/08/17, 21:21:05: Veronika: I like weird architecture. Like I've been to Tel Aviv's bus station one;)

02/08/17, 21:21:11: Veronika: Once

02/08/17, 21:21:14: Yaara: A mailman named Fugel used to live here, not many neighbors back then.. He was brutally murdered in 1939 and no one knows by who..

02/08/17, 21:21:28: Veronika: Oh wow

02/08/17, 21:21:43: Veronika: Spooky

02/08/17, 21:21:55: Yaara: Not as scary as tlv buss station though.. Nothing is!

02/08/17, 21:21:58: Veronika: And who was Rothschild by the way?

02/08/17, 21:22:10: Veronika: 😊

02/08/17, 21:22:47: Yaara: He was a very rich jewish French person, who donated a lot of money to built this country

02/08/17, 21:23:36: Yaara: And I think he had a bank too

02/08/17, 21:24:22: Yaara: Today this boulevard is like the center of businesses and well a lot of banks too

02/08/17, 21:24:44: Yaara: So the name fits it well now.. But it wasn't always like that here!

02/08/17, 21:24:45: Veronika: That fits then ;)

02/08/17, 21:25:04: Veronika: Since when more or less is it like

that?

02/08/17, 21:26:08: Yaara: It's was built around 1918, was all send before, it had it's pick and then in the 30's big plague and everyone left..

02/08/17, 21:26:46: Yaara: Than it was revived and ups and downs but generally since the 90 it became like oh man this place is expensive..

02/08/17, 21:27:02: Yaara: Have to apologize that got off track

02/08/17, 21:27:22: Veronika: No prob, it's interesting

02/08/17, 21:27:32: Yaara: I'm intrigued by the jointed house..

Downstairs there's a pub but upstairs.. How do we get there??

02/08/17, 21:27:49: Yaara: Meant haunted..

02/08/17, 21:28:11: Veronika: Would be nice to get up there!!!

02/08/17, 21:28:56: Yaara: All ways are blocked though.. They try to drug us with this amazing plants smells..

02/08/17, 21:29:09: Yaara: And jazz music

02/08/17, 21:29:14: Yaara: We must continue

02/08/17, 21:29:24: Veronika: All right :)

02/08/17, 21:29:42: Veronika: Mhm I love the smell

02/08/17, 21:31:19: Yaara: Yeah it's good.. If we walked here in the daytime we would still have lots if shade

02/08/17, 21:32:02: Veronika: Shade is important in this city!!!

02/08/17, 21:32:25: Yaara: And lots of water too!! :) We'll stop here although it's not a really pretty building, but historical

02/08/17, 21:32:36: Veronika: Okay

02/08/17, 21:33:10: Yaara: One square brick with semi pulls at the sides and palm trees of course

02/08/17, 21:33:45: Veronika: It really not very pretty

02/08/17, 21:33:53: Yaara: It's called Dizigof house, first mayor of tlv. Here was the Declaration of Independence for Israel

02/08/17, 21:34:10: Veronika: Ahh

02/08/17, 21:34:23: Veronika: 1948?

02/08/17, 21:34:41: Yaara: Couldn't do that in Jerusalem because it was seized.. You know, game of thrones stuff

02/08/17, 21:34:53: Veronika: Yep

02/08/17, 21:35:05: Yaara: Right on! You get a free coffee already!

02/08/17, 21:35:17: Veronika: 😊

02/08/17, 21:35:36: Yaara: Though we might not make it time as I planned, but a lot of alternative no worries

02/08/17, 21:35:46: Veronika: :)

02/08/17, 21:35:54: Yaara: And now quickly turn around

02/08/17, 21:36:07: Yaara: Across the street now that a building

02/08/17, 21:36:41: Yaara: Oh watch it you almost got hit by a bronze man on a horse

02/08/17, 21:36:51: Veronika: Ohh

02/08/17, 21:38:09: Yaara: Well this house looks like an iconic city hall. Wide windows greek fake poles no single wall is straight

02/08/17, 21:38:23: Veronika: Wow

02/08/17, 21:38:24: Yaara: But it's a privet house rant they lucky?

02/08/17, 21:38:37: Veronika: Wooooow

02/08/17, 21:38:53: Veronika: And rich I guess ;)

02/08/17, 21:39:10: Veronika: I love the wide windows

02/08/17, 21:39:40: Yaara: Then you might like our next step..

02/08/17, 21:39:53: Yaara: See that big old tree over there?

02/08/17, 21:40:00: Veronika: Yes
02/08/17, 21:40:17: Yaara: Oh wait some people are dancing and singing here..
02/08/17, 21:40:26: Veronika: Oh nice
02/08/17, 21:40:52: Yaara: Ok now they want see us..
02/08/17, 21:41:08: Yaara: We are about to climb that huge tree

02/08/17, 21:43:17: Veronika: It's a man and a woman at a table
02/08/17, 21:43:23: Veronika: Having dinner I think
02/08/17, 21:43:34: Veronika: But the woman is hardly dressed
02/08/17, 21:43:38: Veronika: Oh

02/08/17, 21:44:10: Yaara: You think they saw you?
02/08/17, 21:44:18: Veronika: Not sure
02/08/17, 21:44:24: Veronika : But I don't think so
02/08/17, 21:44:32: Veronika: Wow really cool furniture
02/08/17, 21:44:43: Veronika: And paintings at the walls
02/08/17, 21:45:00: Yaara: Oh maybe they're artists
02/08/17, 21:45:13: Yaara: Do they have a good taste?
02/08/17, 21:45:13: Veronika: Could be
02/08/17, 21:45:31: Yaara: I'm hearing a dog barking
02/08/17, 21:45:35: Veronika: Yes.
02/08/17, 21:45:43: Veronika: Oh let's go down
02/08/17, 21:45:45: Yaara: We better watch it should I help you down?
02/08/17, 21:45:54: Veronika: Yes thanks
02/08/17, 21:46:03: Veronika: Are u afraid of dogs?
02/08/17, 21:46:10: Yaara: You are such a good companion!
02/08/17, 21:46:18: Veronika: You too
02/08/17, 21:46:22: Veronika: It's fun!
02/08/17, 21:47:12: Yaara: Not at all, and funny enough I hear a song from the cafe in Hebrew saying 'can't catch me no you won't catch me' honestly!
02/08/17, 21:47:29: Yaara: Not at all was referring the dogs :)
02/08/17, 21:47:30: Veronika: Ha ha 😄
02/08/17, 21:47:40: Veronika: I figured
02/08/17, 21:47:55: Yaara: So now we are about to come to an end
02/08/17, 21:48:26: Yaara: We had to walk a bit back it's true but this coffee place is just in the middle of the boulevard
02/08/17, 21:48:50: Yaara: No tables or anything it's called a Kiosk
02/08/17, 21:49:06: Yaara: I guess it's an international word maybe?
02/08/17, 21:49:15: Veronika: Yes it is
02/08/17, 21:49:40: Veronika: Kiosk in german too. And kiosko on Spanish

02/08/17, 21:50:20: Veronika: What would you recommend?
02/08/17, 21:50:54: Yaara: We could make it historical reenactment
(no idea how to spell that)
02/08/17, 21:51:33: Yaara: Meaning : it's the first Kiosk in tlv AND
under the first street lamp of the city too!
02/08/17, 21:51:45: Veronika: Wow
02/08/17, 21:52:06: Yaara: So we could go 1930's and drink Gazoz
02/08/17, 21:52:20: Yaara: Colored flavored soda
02/08/17, 21:52:20: Veronika: What's that?
02/08/17, 21:52:30: Yaara: And hit on guys :)
02/08/17, 21:52:34: Veronika: Sounds coooooool!!!!

02/08/17, 21:53:48: Yaara: Exactly! Wow your were so brave to endure

02/08/17, 21:54:16: Yaara: I would love once to have a counter tour

8/1/17, 11:01 - Yael: Hi! Can you take me somewhere??

8/1/17, 11:01 - ffffffffaaaaaa: Hi, sure!

8/1/17, 11:01 - ffffffffaaaaaa: let's go for a walk

8/1/17, 11:01 - Yael: Cool! I'm ready

8/1/17, 11:03 - ffffffffaaaaaa: I am going to show a couple of spots from the accident tour in, it's going to take around 45 minutes, but you are going to enjoy it on this sunny day, make sure you have some sun cream

8/1/17, 11:03 - Yael: I'm definitely ready, all lotioned up ;)

8/1/17, 11:03 - ffffffffaaaaaa: great!

8/1/17, 11:04 - ffffffffaaaaaa: we are now standing on the first stop on our tour

8/1/17, 11:04 - ffffffffaaaaaa: it is a big intersection, and in the corner there is bar

8/1/17, 11:05 - ffffffffaaaaaa: it doesn't have a name and it is more a place that can be rented for events

8/1/17, 11:06 - ffffffffaaaaaa: on the night of the accident there was a gathering of salsa enthusiasts mixed with some football fans that crashed the event, as you can see it is not a very spacious place, and the decoration is rather tacky

8/1/17, 11:07 - Yael: Was it a terrible accident?

8/1/17, 11:07 - ffffffffaaaaaa: this area has been developing quite fast and the surroundings are now known for being a top drug selling point. But don't worry it is not dangerous at all (at least not during the day)

8/1/17, 11:07 - Yael: No it wasn't! (I wouldn't be guiding the tour)

8/1/17, 11:08 - Yael: Oha!

8/1/17, 11:08 - ffffffffaaaaaa: It is rather unspectacular!

8/1/17, 11:08 - Yael: Are you traumatized by it?

8/1/17, 11:09 - ffffffffaaaaaa: It was remarkable and it left scars, that you can't see

8/1/17, 11:09 - ffffffffaaaaaa: but I am not traumatized anymore, thank you for asking :)

8/1/17, 11:09 - Yael: Good to know!

8/1/17, 11:10 - ffffffffaaaaaa: anyways, right here I have the same bike from that day

8/1/17, 11:10 - ffffffffaaaaaa: it is repaired and you can also use this other bike

8/1/17, 11:11 - Yael: I love biking! I learned to ride 4 years ago

8/1/17, 11:11 - ffffffffaaaaaa: that's good, please, wear a helmet! we are now going to the spot of the accident!

8/1/17, 11:12 - Yael: !!!

8/1/17, 11:12 - Yael: 🚲👩

8/1/17, 11:13 - ffffffffaaaaaa: Enjoy the landscape!

8/1/17, 11:14 - ffffffffaaaaaa: On this time of the year there is not so much traffic and you can see the people going on with their lives, preoccupied by their jobs and responsibilities, many of them tourists like you

8/1/17, 11:14 - ffffffffaaaaaa: Isn't it chilled?

8/1/17, 11:15 - Yael: Is there someone that catches your eye especially?

8/1/17, 11:15 - ffffffffaaaaaa: Yes! you see that couple over there?

8/1/17, 11:16 - Yael: Yes! What is this that they are doing?!

8/1/17, 11:16 - ffffffffiaaaaaa: They are breaking up i think!

8/1/17, 11:16 - Yael: Oooh

8/1/17, 11:18 - ffffffffiaaaaaa: most divorces happen after holidays... they look happy, but at a certain age, you can see that in the way the guy is distracted and unapologetically docile

8/1/17, 11:18 - ffffffffiaaaaaa: and she is getting tired of that absent minded look

8/1/17, 11:19 - ffffffffiaaaaaa: but for now, they are trying very hard to seem happy, and she can't stop taking pictures as a way of proving it

8/1/17, 11:20 - Yael: Can you maybe suggest to take a picture of them?

8/1/17, 11:20 - ffffffffiaaaaaa: you know what.. that's a great idea!

8/1/17, 11:20 - Yael: Cool!!

8/1/17, 11:21 - ffffffffiaaaaaa: Do you want some little present... a souvenir for them?

8/1/17, 11:21 - ffffffffiaaaaaa: A little joy of randomness

8/1/17, 11:21 - Yael: Yes please

8/1/17, 11:22 - Yael: Of the bad side of holidays

8/1/17, 11:22 - ffffffffiaaaaaa: What is it?

8/1/17, 11:22 - Yael: Brake ups!

8/1/17, 11:22 - ffffffffiaaaaaa: Haha!

8/1/17, 11:23 - ffffffffiaaaaaa: Speaking of brakes! we now arrived to the accident spot!

8/1/17, 11:23 - ffffffffiaaaaaa: Let's take a look

8/1/17, 11:23 - Yael: Where was the spot where you crashed?

8/1/17, 11:24 - ffffffffiaaaaaa: Right here on this sidewalk

8/1/17, 11:24 - ffffffffiaaaaaa: as you can see on the right we have this beautiful garden

8/1/17, 11:24 - ffffffffiaaaaaa: and on the left, to the street there is this huge tree

8/1/17, 11:24 - Yael: Nice scene for a crash

8/1/17, 11:24 - ffffffffiaaaaaa: It says it was planted in 1900

8/1/17, 11:25 - Yael: Crush

8/1/17, 11:25 - ffffffffiaaaaaa: it is, a crash becomes a crush

8/1/17, 11:25 - ffffffffiaaaaaa: and the crush made the crash

8/1/17, 11:26 - ffffffffiaaaaaa: the floor of the sidewalk is very irregular you see?

8/1/17, 11:26 - Yael: What the tree smell like?

8/1/17, 11:27 - ffffffffiaaaaaa: Well... this particular kind of tree has a very funny smell

8/1/17, 11:27 - Yael: What so funny about it?

8/1/17, 11:28 - ffffffffiaaaaaa: Well, on a sunny day, at the end of the spring... I can't help it, but it reminds me of the smell of sperms

8/1/17, 11:28 - Yael: I know trees that smells this way

8/1/17, 11:29 - Yael: What an area, crashes, crushes, break ups and sperm!

8/1/17, 11:29 - Yael: Did you break something on the accident?

8/1/17, 11:29 - ffffffffiaaaaaa: Well.. let me show you

8/1/17, 11:30 - ffffffffiaaaaaa: I broke this rib

8/1/17, 11:30 - Yael: Oha my!

8/1/17, 11:30 - ffffffffiaaaaaa: I had a concussion

8/1/17, 11:31 - Yael: Wow!
8/1/17, 11:31 - ffffffffaaaaaa: and you see this here, my big nose, it used to be smaller
8/1/17, 11:31 - Yael: 🤔🤔🤔
8/1/17, 11:32 - ffffffffaaaaaa: I know! It is weird how changing the nose totally changes the whole face somehow
8/1/17, 11:33 - Yael: Are you still surprised at the mirror sometimes?
8/1/17, 11:33 - ffffffffaaaaaa: yes
8/1/17, 11:33 - ffffffffaaaaaa: sometimes
8/1/17, 11:33 - ffffffffaaaaaa: But I got used to it
8/1/17, 11:34 - ffffffffaaaaaa: I kind of think it is a very charming person
8/1/17, 11:34 - Yael: 😊
8/1/17, 11:34 - ffffffffaaaaaa: with a big nose
8/1/17, 11:35 - ffffffffaaaaaa: on the distance, after the garden you can see very intimidating grey building
8/1/17, 11:36 - ffffffffaaaaaa: it is quite a contrast to the garden, you see?
8/1/17, 11:36 - ffffffffaaaaaa: it is brutalist architecture, built in the 60s
8/1/17, 11:37 - Yael: Lets walk there
8/1/17, 11:37 - ffffffffaaaaaa: Yes!
8/1/17, 11:37 - ffffffffaaaaaa: The entrance is on the other side
8/1/17, 11:38 - Yael: Whats on the top left window?
8/1/17, 11:38 - ffffffffaaaaaa: There is some waving at us!!
8/1/17, 11:38 - ffffffffaaaaaa: someone
8/1/17, 11:39 - Yael: Wave back!
8/1/17, 11:39 - ffffffffaaaaaa: "Hi!"
8/1/17, 11:40 - ffffffffaaaaaa: *_italics_*an old woman is looking at the garden_italics_
8/1/17, 11:41 - ffffffffaaaaaa: *_she* wants to go out, to enjoy the sun_
8/1/17, 11:42 - ffffffffaaaaaa: Let's have some tea with her, what do you think?
8/1/17, 11:42 - Yael: I'm up for it!!
8/1/17, 11:42 - ffffffffaaaaaa: Which floor is it? do you remember?
8/1/17, 11:43 - Yael: 5th maybe?
8/1/17, 11:43 - ffffffffaaaaaa: ok, let's try to find an elevator
8/1/17, 11:43 - ffffffffaaaaaa: it is a very busy building
8/1/17, 11:44 - ffffffffaaaaaa: there are huge paintings on the wall
8/1/17, 11:44 - ffffffffaaaaaa: from a time when people saw the future with optimism
8/1/17, 11:44 - ffffffffaaaaaa: but they look deteriorated
8/1/17, 11:45 - Yael: Is it more beautiful this way?
8/1/17, 11:46 - ffffffffaaaaaa: It looks less crowded
8/1/17, 11:47 - ffffffffaaaaaa: There is a huge lamp
8/1/17, 11:47 - ffffffffaaaaaa: And people in suits
8/1/17, 11:48 - ffffffffaaaaaa: and there is someone wearing a huge hat
8/1/17, 11:48 - ffffffffaaaaaa: I can see the couple we saw earlier!!!
8/1/17, 11:48 - Yael: Can you do a selfie with him?
8/1/17, 11:48 - Yael: Or them

8/1/17, 11:49 - ffffffffaaaaaa: Ok he said we had to pay for a selfie
8/1/17, 11:49 - Yael: How much?
8/1/17, 11:49 - ffffffffaaaaaa: around 5USD
8/1/17, 11:50 - ffffffffaaaaaa: only
8/1/17, 11:50 - ffffffffaaaaaa: oh sorry 500USD
8/1/17, 11:50 - Yael: Ok, then no
8/1/17, 11:51 - Yael: 🙏
8/1/17, 11:51 - ffffffffaaaaaa: I will do it anyway
8/1/17, 11:51 - ffffffffaaaaaa: sneak in secretly
8/1/17, 11:51 - ffffffffaaaaaa: I don't want to interrupt the couple
8/1/17, 11:51 - Yael: Oha yes!
8/1/17, 11:51 - ffffffffaaaaaa: they are dancing slowly
8/1/17, 11:52 - ffffffffaaaaaa: he is crying on her shoulder
8/1/17, 11:53 - Yael: Deteriorated future
8/1/17, 11:53 - ffffffffaaaaaa: I feel like dancing also, the music is getting louder
8/1/17, 11:54 - Yael: So let's do it!
8/1/17, 11:55 - ffffffffaaaaaa: It's turning wild, let's dance!
8/1/17, 11:55 - Yael: 🐱🐱🐱🐱🐱
8/1/17, 11:56 - ffffffffaaaaaa: It's very funky
8/1/17, 11:56 - ffffffffaaaaaa: What a better way to end the tour than with an unexpected party!
8/1/17, 11:57 - ffffffffaaaaaa: I think we ended up crashing a wedding or something... or a break up ceremony.. can't really tell!
8/1/17, 11:59 - ffffffffaaaaaa: thank you for joining, what was your name?
8/1/17, 11:59 - Yael: Thank you for the tour!
8/1/17, 11:59 - Yael: I was Yael, and you?

18.06.17, 19:30:03: Mia: Hey,

Today we offer two different types of tours:

- 1) a personal experience: live like a local
- 2) the gaze of the other: we go outside to a touristic hotspot

Which one would you prefer?

18.06.17, 19:54:09: Mia: I made a choice to go for the 2 option let me know when you are ready

18.06.17, 20:14:55: Mia: Are you still up for it?

18.06.17, 20:20:07: Mia: I arrived at our starting point for today. I offer you to be your "eyes" for today and this is how it works: you can give me instructions to move, interact and I can react to it by either giving you a reaction in 1) describing 2) a photo 3) sound recording

18.06.17, 20:20:53: Raz: just to make sure I understand – I follow your instructions?

18.06.17, 20:21:13: Mia: No for today I offer you the other way around
